Mackenzie started working at Grand Meadows in March of 2026, you can find her on our AL side on day shift. She graduated from Sibley East High School in 2018 and did some college at Ridgewater in Hutch. In 2023, she moved to Glencoe with her fiancé, Caleb, and adopted their beloved 4.5-year-old pup named Brandi Mae. Mackenzie enjoys spending her free time working out in her shop with her laser engraver and wood burning. Curling up on the couch watching a good show with Brandi or a good book. She also enjoys whenever deer hunting season rolls around. What she loves most about Grand Meadows is that everyone feels like one big family. She enjoys making an impact on lives and learning residents' stories and life lessons.
